HOW IT WORKS

Lets say your business has 4 lines. You will be charged \$320 per month. The first \$400 of calls that you make are credited to your account. This means you do not pay a separate line rental charge. Line rental alone for 4 lines would normally cost you \$140. If you exceed your Cap Credit your excess calls will be charge at the rates shown above.

Available to new and existing customers. To apply please call **1300 661 598** or email sales@yourit.com.au
